

WAREHOUSE AND LOGISTICS APPRENTICE

Opportunities at our Wembley, Croydon and Canning Town depots

As a Warehouse and Logistics Apprentice you will be part of a small warehouse team working closely with the broader depot, office and workshop staff. The role is a 15 month placement and involves:

- Full practical training in the organisation, storage and distribution of tools and equipment
- The study towards a Level 2 supply chain warehouse operative qualification
- Learning all about our products and services
- Providing assistance in the warehouse and depot
- Adhering to Health and Safety policies and safe working practices

The Ideal Candidate

You will be motivated to learn about our equipment, processes, and industry, with a positive, proactive, and flexible approach. You will take ownership and responsibility, with the ability to show initiative and work independently.

Continuous learning is an integral part of the role, so you're not expected to know everything but you must be willing to learn and follow instructions.

We actively promote from within so those displaying the necessary ability and commitment will have every opportunity to progress within our organisation.
