

DELIVERY DRIVER

Opportunities at our Wembley and Canning Town depots

As a Delivery Driver you will be part of a team of drivers, working closely with the broader depot, office, warehouse and workshop teams. The role involves:

- Delivering tools and equipment to building sites in and around London and the surrounding areas
- Completing paperwork quickly and accurately
- Building relationships with our customers
- Learning all about our products and services
- Providing assistance in the depot
- Adhering to Health and Safety policies and safe working practices

The Ideal Candidate

You will hold a full, manual driving licence and be a confident driver with experience in a customer focused role where you can demonstrate your exceptional customer service skills. Previous warehouse and/or multi drop driving experience would be advantageous.

You will be motivated to learn about our equipment, processes, and industry, with a positive, proactive, and flexible approach. You will take ownership and responsibility, with the ability to show initiative and work independently.

Continuous learning is an integral part of the role, so you're not expected to know everything but you must be willing to learn.

We actively promote from within so those displaying the necessary ability and commitment will have every opportunity to progress within our organisation.

How do I apply?

Our company mission is 'Going out of our way to help customers,' so if you're interested in this role send us your CV and a covering letter with a specific example of how you have gone out of your way to help a customer or colleague, to careers@thehireman.co.uk

Applications received without a cover letter will not be considered.
